Our Story

Discover Vietnamese Coffee at Its Purest with XYLA

We're a passionate startup partnering with a small farm in Vietnam to bring you the finest organic coffee, roasted at the source for peak freshness and flavor. What makes us unique is our traditional charcoal-roasting method, which infuses each cup with a bold, smoky flavor while supporting digestion and detox—blending wellness with authentic Vietnamese tradition.

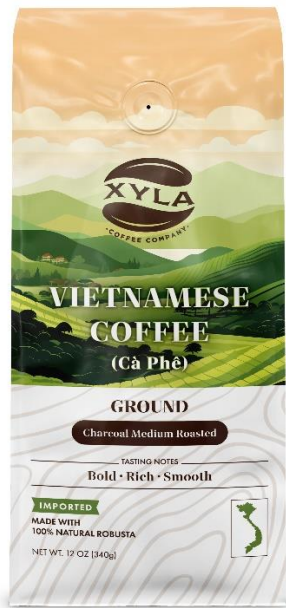

Our Vision

To share the bold, smoky richness of charcoal-roasted Vietnamese coffee with the world—offering a brew that not only tastes stronger but also supports a healthier lifestyle, one cup at a time. We believe coffee should be both an experience and a ritual, connecting people to culture, wellness, and craftsmanship.

Experience the difference

Continuing the tradition of age-old charcoal roasting perfected over generations, with a committed excellence for quality and sustainability in every bean.

At Xyla Coffee Company, we are passionate about our coffee. Our organic beans are sourced from a small farm in Vietnam's scenic Đồng Nai province and specially roasted for a distinctive flavor. Enjoy a rich, robust brew with sweet, smoky, and savory notes.

The benefits of charcoal-roasted coffee

Beyond its exquisite flavor, our charcoal-roasted coffee offers health benefits. Activated charcoal aids digestion, reduces bloating, and detoxifies the body. It also has anti-inflammatory and anti-aging properties, enhancing hair and skin health.* Enjoying XYLA coffee delights the senses and supports overall well-being.
